All white/yellow graded drivers score points from all points scoring meetings towards the end of year championship race. Any white/yellow graded driver who is upgraded to blue or above will still be eligible to race but will not score any more points towards the championship grid any driver down graded to white/yellow will be added to the list and then start to score points towards the championship race/grid. The race will be in graded order with the highest points scorer at the front of their grade on raceday
